

Placement Simulator - Interview Report

Role: SDE
Category: hr
Difficulty: medium

Scores

overall: 35/100
technical: 10/100
communication: 35/100
confidence: 70/100
problemSolving: 10/100
coding: 0/100

Strengths

- Concise responses
- Confident tone

Weaknesses

- Irrelevant answers
- Lack of technical depth
- Missing critical concepts
- Poor problem solving demonstration

Suggestions

- Provide structured, relevant examples that directly address the question.
- Demonstrate technical reasoning and decision making processes.
- Plan skill acquisition with clear milestones and measurable metrics.
- Show evidence of conflict resolution strategies and outcomes.

Summary

The candidate delivered concise but largely irrelevant answers, lacking technical depth and problem solving insight. Confidence was high, yet the responses did not demonstrate the required competencies for an SDE role.
