

Salil Gupta
UG final yr
SGSITS, Indore
March 21 ,2005
Email ID: salilgupta2103@gmail.com

Enrollment No.: 0801CS231118
Department: Computer Science
Gender: Male
Specialization: None
Mobile #: +91 8770154626

Academic Details

Degree / Certificate	University / Board	Institute / School	Year of Passing	CGPA / Percentage
Graduation	RGPV, Bhopal	SGSITS, Indore	2027	7.80
12 th	CBSE	Central Academy School, Gwalior	2022	89.80%
10 th	CBSE	K.V. No. 2, Gwalior	2020	89.60%

Scholastic Achievements

- **Elite Silver Certificate**, Joy of Computing using Python – NPTEL, IIT Madras May 2025
- **Elite Certificate**, Python for Data Science - NPTEL, IIT Madras Apr 2025
- **AIR 38,496** in JEE Main & appeared in JEE Advance 2023
- Qualified **PRMO** & appeared in **RMO** by **HBCSE-NBHM** 2019

Experience

M9Vends

Software Development Intern

May 2026
- Aug 2026

- **Translated product requirements into technical implementation**, developing reusable **React.js** components and modular interfaces that improved **scalability, maintainability, and consistency** across the company's applications.
- **Collaborated with cross-functional engineering teams** on **API integration, testing, and debugging**, identifying and resolving software issues across multiple application modules.
- Contributed to interactive dashboards and workflow features for the company's SaaS platform, supporting feature development and **system integration initiatives**.

Academic Projects

Placement Simulator

Tech Stack: React.js, Node.js, REST APIs, Supabase (PostgreSQL), Ollama, Tailwind CSS.

Aug 2025
- Present

- Designed modular software architecture and end-to-end workflows for an AI-powered placement and assessment platform, **translating assessment requirements into structured technical solutions**.
- Integrated REST-based backend services with React.js modules and **documented technical specifications** for candidate, assessment, and scoring workflows.
- Performed debugging and integration testing across multiple modules to **support functional reliability and consistent quality outcomes**.

Personal Finance Management System

Tech Stack: TypeScript, HTML, CSS, Node.js, Express.js, PostgreSQL

July 2025
- Dec 2025

- Designed a normalized relational database with 8+ entities, applying keys, constraints, and **quality-focused data management practices**.
- **Developed and tested SQL-based** data access operations for efficient storage, retrieval, and modification of application data.
- Applied database design and optimization principles to improve data consistency, maintainability, and **process quality**.

Platforms, Languages, Technologies & Tools Worked

- **Operating Systems** : Windows and Linux
- **Programming Language** : C, Java, SQL, Python
- **Web Designing** : HTML, CSS, JavaScript, React.js, Tailwind CSS, Node.js, Express.js
- **Tools & Technologies** : PostgreSQL, MongoDB, Git, GitHub, VS Code, Figma, Canva, Click Up, Google Collab, Clerk, Inngest, Stream

Courses Undertaken

Core	Breadth
• Data Structures • Design And Analysis of Algorithm • Discrete Mathematics • Object Oriented Programming • Operating Systems • Database And Management System • Computer Networks • Theory of Computation • Computer Architecture • Design Thinking • Information Security • Machine Learning	• Digital Communication • Technical English • Values, Humanity and Professional Ethics • Economics For Engineering • Mathematics I, II, III, IV • Physics • Chemistry • Essence of Indian Knowledge Tradition • Constitution of India • Internet of Things

Positions of Responsibility

Team Lead – Personal **Finance Management System**

July 2025 – Oct 2025

- Led the team across the **SDLC**, coordinating requirements, task allocation, system design, database architecture, implementation, testing, and integration of a **PostgreSQL-based financial management system** with 8+ normalized entities.

Extracurricular Activities

Nomura Kakushin 10.0 Hackathon

July 2026

- Participated in the Nomura KakushIN 10.0 Hackathon, collaborating on an innovative technology-driven solution.

Smart India Hackathon (SIH)

Sept 2025

- Participated in **SIH at the college level**, contributing to problem-solving and solution development.

Drone Workshop – YAAN Club, Aayaam Techno-Cultural Fest

- Participated in a hands-on workshop covering **drone technology and simulation**.
