Strengths

Weaknesses

- Did not provide any correct or relevant answer to any of the questions
- Lacked basic knowledge of React props vs state, event bubbling, and CSS box model
- Answers were nonsensical and did not demonstrate understanding
- No evidence of clear or confident communication

Suggestions

- Review core React concepts such as props, state, and component lifecycle
- Study event handling in the DOM, including bubbling and delegation
- Learn the CSS box model and the impact of box-sizing: border-box
- Practice articulating answers clearly and confidently in interview settings

Summary

The candidate was unable to answer any of the technical questions, providing only nonsensical responses. This indicates a significant lack of foundational knowledge and communication skills for the role.
