Salil Gupta
UG final yr
SGSITS, Indore
March 21 ,2005
Email ID: salilgupta2103@gmail.com

Enrollment No.: 0801CS231118
Department: Computer Science
Gender: Male
Specialization: None
Mobile #: +91 8770154626

Academic Details

Degree / Certificate	University / Board	Institute / School	Year of Passing	CGPA / Percentage
Graduation	RGPV, Bhopal	SGSITS, Indore	2027	7.80
12th	CBSE	Central Academy School, Gwalior	2022	89.80%
10th	CBSE	K.V. No. 2, Gwalior	2020	89.60%

Scholastic Achievements

- **Elite Silver Certificate**, Joy of Computing using Python – NPTEL, **IIT Madras** — May 2025
- **Elite Certificate**, Python for Data Science - NPTEL, **IIT Madras** — Apr 2025
- **AIR 38,496** in JEE Main & appeared in JEE Advance — 2023
- Qualified **PRMO** & appeared in **RMO** by **HBCSE-NBHM** — 2019

Experience

M9Vends
Software Development Intern — May 2026 - Aug 2026

- Designed and developed reusable **React.js** components and interactive dashboards for the company's **SaaS platform**, turning product requirements into working features.
- Integrated **REST APIs** with the front end and debugged issues across multiple application modules to keep behaviour consistent.
- Contributed to interactive **dashboards** and workflow features for the company's **SaaS platform**, supporting feature development and **system integration initiatives**.

Academic Projects

Placement Simulator
Tech Stack: React.js, Node.js, REST APIs, MongoDB, Ollama/Groq, Tailwind CSS. — Aug 2025 - Present

- Built the **React frontend** for the interview chat and coding round, reports and resume analysis. It includes real time answer submission over **Socket.io** with an automatic **REST fallback**, and **JWT refresh-token** handling.
- Developed the resume analysis pipeline: extracted text from PDFs, parsed it into structured skills using the **Groq API** (**LLM**), and matched them against interview scores to generate a **match score** with **verified and unverified skills**.
- Kept **Groq API** usage within **Groq rate limits (8K tokens/min, 200K tokens/day)** by truncating input text, sending condensed per-category summaries instead of full transcripts, and capping output size; added safe fallbacks for truncated or invalid **JSON** responses.

ExamGrid – Exam Timetable and Seating Scheduler Jul 2026

Tech Stack: *Tech: TypeScript, Next.js, React.js, Tailwind CSS* - Present

- Built the **input layer**: an input manager and default presets that capture department exam data and student cohorts, and pass them to the **scheduling engine** in a structured format.
- Integrated the engine's output into the UI to generate timetables in the required format, with seating and faculty duty views and **PDF exports**.
- Currently testing the scheduling flow **end to end** within Computer Science department.

Platforms, Languages, Technologies & Tools Worked

- **Operating Systems** : Windows and Linux
- **Programming Language** : C, Java, SQL, Python
- **Web Designing** : HTML, CSS, JavaScript, React.js, Tailwind CSS, Node.js, Express.js
- **Tools & Technologies** : PostgreSQL, MongoDB, Git, GitHub, VS Code, Figma, Canva, Click Up, Google Collab, Clerk, Inngest, Stream

Courses Undertaken

Core

- Data Structures
- Design And Analysis of Algorithm
- Object Oriented Programming
- Operating Systems
- Database And Management System
- Computer Networks
- Design Thinking
- Information Security

Breadth

- Digital Communication
- Technical English
- Values, Humanity and Professional Ethics
- Economics For Engineering
- Mathematics I, II, III, IV
- Physics
- Chemistry
- Essence of Indian Knowledge Tradition
- Constitution of India
- Internet of Things

Extracurricular Activities

Nomura Kakushin 10.0 Hackathon July 2026

- Participated in the Nomura KakushIN 10.0 Hackathon, collaborating on an innovative technology-driven solution.

Smart India Hackathon (SIH) Sept 2025

- Participated in **SIH at the college level**, contributing to problem-solving and solution development.

Drone Workshop – YAAN Club, Aayaam Techno-Cultural Fest

- Participated in a hands-on workshop covering **drone technology and simulation.**
